

DRC3000 SERIES

DIRECT VENT GAS FIREPLACES

Superior
FIREPLACES®
Our name is our promise.

CONTEMPORARY

The captivating DRC3000 Series is the quintessence of modern hearth. Fashioned with an elegant two-piece façade, porcelain liners, and crushed glass media, the DRC3000 standard features represent dapper simplicity. Optional features like high-definition driftwood logs and tumbled river stones punctuate its contemporary appeal. The DRC3000 is modern value at its best.

FEATURED DRC3035 with standard Black Reflective Crushed Glass Media and optional Driftwood

IMPORTANT NOTES:

As with any fireplace, this appliance is extremely hot during operation. Read and understand all operating instructions before using this appliance. For further information, consult your dealer.

Local conditions, such as elevation, wind, vent configuration and choice of fuel will affect overall appearance of the fire and heating performance. Performance can also vary with home design and insulation, climate, condition and type of fuel used, appliance location, burn rate, accessories chosen, chimney installation and how the appliance is operated.

Diagrams, illustrations and photographs are not to scale—consult installation instructions. Product designs, materials, dimensions, specifications, colors and prices are subject to change or discontinuance without notice.
